Partners

# What is Intimate Partner Violence?

# Facing the Facts

1 in 3 women worldwide

38% of all femicides are committed by intimate partners

Nationally more than 4 in 10 women

4 out of 5 IPV incidents go unreported

Indigenous women were 61% more likely to experience some form of IPV in their lifetime

# Criminal Code Charges

# Police Response

## Provincial investment

- Strengthening the province's bail system
- Bail Compliance and Warrant Apprehension (BCWA) Grant program
- Establish dedicated bail compliance and/or warrant apprehension teams to monitor individuals that commit serious offences of a violent or sexual nature.
- Ensure that violent offenders comply with their bail conditions

## The Courts - North Region ISVCBT

- 4 dedicated Assistant Crown Attorneys
- Bail matters and serious and violent crimes
- Violent repeat offenders within the sexual assault & intimate partner violence spectrum.
