<b>Recommended by:</b>  John Valtonen Inspector	<b>Approved by:</b>  Paul Pedersen Chief of Police

### **RECOMMENDATION: FOR INFORMATION**

#### **BACKGROUND:**

In January 2019, officers observed a vehicle driving in a reckless manner.

Road conditions were poor and the vehicle was being driven in a dangerous manner which culminated in a serious collision when the vehicle crossed into oncoming lanes of traffic striking a vehicle travelling in the opposite direction.

The driver of the suspect vehicle was fatally injured while the driver of the oncoming vehicle sustained serious but non-life threatening injuries.

After the initial investigation, the Special Investigations Unit (SIU) was contacted. The SIU invoked their mandate. The SIU conducts investigations of police officers involved in incidents of death, serious injury, and allegations of sexual assault to determine whether a criminal offence took place.

.../2

In April 2019, correspondence was received from SIU indicating the conclusion of the investigation and closure of the file as there are no grounds to proceed with criminal charges in this case.

**CURRENT SITUATION:**

In accordance with Section 11 of Ontario Regulation 267/10 of the *Police Services Act* of Ontario, the Chief of Police or designate shall cause an administrative investigation to be conducted forthwith into any incident with respect to which the SIU has been notified, subject to the SIU's lead role in investigating the incident.

The purpose of the Administrative Investigation was to review the policies of or services provided by the Police Service and the conduct of its police officers.

The Section 11 Administrative Review Investigation was completed by the Professional Standards Bureau. The investigation revealed that the actions of the Officers were appropriate and justified. Police duties were lawfully executed.

There were no Procedure, Equipment, or Training concerns arising from this incident.

### **RECOMMENDATION: FOR INFORMATION**

#### **BACKGROUND:**

In November 2017, officers attended Beech at Durham Street in the City of Greater Sudbury where they located a male unconscious lying on the roadway apparently fallen off of a bicycle. Prior to police attendance, the male had been observed throwing himself onto the ground. When he awoke, he became combative with officers and emergency service personnel.

He was arrested and placed in an ambulance where he continued to be assaultive and proceeded to damage medical equipment. A systems check revealed that he was wanted on several outstanding warrants.

The male was taken to Health Sciences North for medical treatment on three separate occasions, twice he refused treatment. He complained of a sore jaw and was brought to Health Sciences North a third time where it was determined that his jaw was broken.

.../2

As a result of the injury to the accused, the SIU was notified and invoked their mandate.

In January 2019, SIU advised that they had concluded their investigation and advised there were no grounds in the evidence to proceed with criminal charges against the subject officers.

**CURRENT:**

In accordance with Section 11 of Ontario Regulation 267/10 of the *Police Services Act* of Ontario, the Chief of Police or designate shall cause an administrative investigation to be conducted forthwith into any incident with respect to which the SIU has been notified, subject to the SIU's lead role in investigating the incident.

The purpose of the Administrative Investigation was to review the policies of or services provided by the Police Service and the conduct of its police officers.

The Section 11 Administrative Review Investigation was completed by the Professional Standards Bureau. The investigation revealed that the actions of the officers were appropriate and justified. Police duties were lawfully executed and diligent prisoner care and control followed.

There were no Procedure, Equipment, or Training concerns arising from this incident.

### RECOMMENDATION:

**THAT the Greater Sudbury Police Services Board accepts the Agilis Networks quote and Terms and Conditions Agreement for the provision of backup fibre optic connectivity to District #2 at Lionel E. Lalonde Centre, Azilda, at an annual cost of \$18,000 per year for three years; and further**

**THAT the Board accepts the Agilis Networks renewal quote and the Terms and Conditions Agreement for the provision of fibre optic connectivity in support of business operations at business locations operated by GSPS at a cost of \$59,394 per year for three years.**

### BACKGROUND:

For many years, Agilis Networks has been the fibre optic service provider for the City of Greater Sudbury and the Greater Sudbury Police Service. In 2018, the Police Services Board approved the purchase of new cameras and wireless network equipment from iVision systems for the Lion's Eye in the Sky (LEITS) downtown camera system. This solution has improved camera quality and reduced line connectivity charges.

.../2

**CURRENT SITUATION:**

During the past year, staff have undertaken a comprehensive review all network connections being utilized by GSPS. Over the years, locations and/or equipment requiring connectivity have been added or deleted which has required additional fiber connections to be installed or removed.

Technology has advanced providing improved connectivity speeds and reduced costs due to new pricing models. It was also noted that only one connection to District 2 at LEL existed from GSPS HQ. This location serves as a backup site for the Communications Centre and also serves a number of operational areas. In this context, it was necessary that a backup redundant connection should be established for disaster recovery.

During the review, each connection utilized by the GSPS was scrutinized and a determination was made to cancel, modify, or maintain the connection. The review resulted in a number of changes being effected.

- Nine connections have now been cancelled which include the eight camera connections
- Five connections had their speed increased for the same or less cost
- Two connections had their speed increased for a slight increase
- One new service connection was created for backup connectivity to LEL

A new connection with a 1 gigabyte link was added for the backup link to LEL for a cost of \$1500 a month.

<b>STRATEGIC DIRECTION 2019-2021</b> <b>Strategic Theme:</b> Our Members <b>Goal:</b> Succession Planning

## RECOMMENDATION:

**THAT the Board, in accordance with Section 31(1) (a) of the *Police Services Act*, hereby appoints members of the Greater Sudbury Police Service on the dates specified; and further**

**THAT the Board hereby accepts the resignations of members from the positions on the effective dates specified for information.**

## BACKGROUND

Section 31 (1) of the *Police Services Act* sets out the Board’s responsibilities with respect to the provision of adequate and effective police service in the municipality. More particularly under Section 31 (1) (a), the Board appoints and accepts resignations of members of the Service. The purpose of the report is to highlight the current strength of the Greater Sudbury Police Service and to bring forward appointments, resignations and retirements during the period September 1 to December 31, 2019.

.../2

**CURRENT SITUATION:**

On an annual basis, the Service develops a Sworn Officer Hiring Plan in accordance with anticipated attrition through resignation and/or retirement. The plan is designed to ensure authorized strength is maintained. Hiring of new Sworn members includes direct entry officers, those completing basic constable training, those with experience from other police services, as well as new recruits who join the Service as a Cadet. These members generally join the Service approximately two weeks to one month prior to attending the Ontario Police College allowing for an initial orientation period.

Civilian hiring is influenced by many factors including resignation and retirement in addition to growth and pressures in certain support service areas. When such vacancies are created, hiring generally occurs from the existing staff pool or externally should there be no qualified internal candidates. The Service is also the beneficiary of grants from time to time that afford temporary time positions for defined periods of employment that are generally filled from existing staffing or secured through external recruitment efforts.

Positions that are filled by internal candidates will generally create vacancies leading to other competitions in a domino type of effect. During this period, there were no retirements or resignations in the Civilian staffing. Two positions were created and filled as a result of grant funding. This brings the total civilian positions filled through grant funding to four.

The Service is represented by diverse backgrounds, a broad inventory of languages, skills, knowledge, and experience.

The following will serve as an overview of changes to the organization.

## GREATER SUDBURY POLICE SERVICE BOARD REPORT

<b>ACTION: FOR INFORMATION</b>	DATE: January 8, 2020

<b>SUBJECT: 2019 ANNUAL REPORT ON SECONDARY ACTIVITIES</b>	
<b>STRATEGIC DIRECTION 2019-2021</b> <b>Strategic Theme:</b> Our Members <b>Goal:</b> Career Development Opportunities

**RECOMMENDATION:**

**THAT the Board receives the 2019 Annual Report on Secondary Activities for information.**

**BACKGROUND:**

Under Section 31 (1)(g) of the *Police Services Act*, the Board shall receive regular reports from the Chief of Police on disclosures and decisions made under section 49 of the *Act* which deals with secondary activities by members of the Police Service.

This legislative requirement is addressed in Board By-Law 2003-2 which establishes governance standards relating to the disclosure of secondary activities pursuant to the *Police Services Act* and Administration Procedure 024 in relation to Secondary Employment. Both of these documents address the requirement for members to follow with respect to applying for authorization to engage in secondary activities or to disclose full particulars of an activity they have already undertaken that may place the member in conflict with the *Police Services Act*.

.../2

There are specific requirements with regard to off duty secondary activities for all members including temporary, contract, and term employees. This is to ensure that outside activities do not interfere with the member's duties or detract from public trust and community confidence in the Greater Sudbury Police Service.

### **FRAUD PREVENTION**

During the month of December, corporate communications dedicated efforts to Fraud Prevention – Protecting Yourself and Our Community Members. This is an opportunity to remind the community and business owners that no one is immune to Fraud. Scammers are sneaky and sly. They can target anyone, from youth to seniors. They can also target businesses.

Commonly, scammers contact individuals claiming that they are entitled to an extra refund or have to pay an outstanding balance immediately. The scammers are getting creative with their stories in an attempt to have individuals share personal information or worse, provide payment via prepaid credit cards or gift cards including iTunes, Google Play, Home Depot, and others.

Most, if not all reputable businesses that you deal with will already have your personal information and will not ask for these types of payments.

#### ***Protecting Yourself***

Reputable businesses should never:

- Use aggressive or threatening language.
- Threaten you with an arrest or police.
- Ask for payments via prepaid credit cards or gift cards, such as iTunes, Home Depot, Google Play, etc.
- Collect or distribute payments through Interac e-transfer.
- Use text messages to prompt payment or refund.

#### **Business Owners – Protecting Our Community Members**

- If a customer is purchasing a large quantity of or high value in prepaid credit cards or gift cards, ask them why they're purchasing them. This may include iTunes, Google Play, Home Depot, etc.
- Be on the lookout for out for unusual purchasing patterns and work with your customers to help protect them. It is okay to redirect your customers to their financial institutions for further direction.

The following are some great reference tools to educate yourself on the various scam types and how to protect yourself from falling victim to a fraud.

## **CRIME STOPPERS PROCLAMATION**

January 7 marked the proclamation of 2020 Crime Stoppers Month. Sudbury Crime Stoppers and Rainbow Crime Stoppers began here in 1987. The programs amalgamated in 1993 to become the Sudbury Rainbow Crime Stoppers. Today, there are 38 active Crime Stoppers programs in Ontario

Crime Stoppers is supported by Community Safety Personnel Lise Perreault who is instrumental in supporting the efforts and activities of Crime Stoppers locally.

The theme for this year is ‘Creating Partnerships Against Crime’ and these are partnerships between the community, law enforcement, and media. Features such as ‘Wanted Wednesday’ and ‘Crime of the Week’ provide officers with assistance and additional exposure through these extremely important partnerships

Sudbury Rainbow Crime Stoppers makes tremendous contributions to community safety here in Greater Sudbury. They are partners to GSPS and support many safety initiatives in Greater Sudbury. The anonymity and rewards offered through Crime Stoppers have generated tips and information that has assisted Officers in solving numerous crimes and has resulted in close to \$35 million dollars’ worth of drugs being seized and over \$11 million dollars’ worth of stolen property being recovered

Crime Stoppers operates on the simple principle that for every crime committed, someone other than the criminal has information that would help solve the crime. Members of the community are encouraged to provide anonymous information to assist law enforcement agencies in the fight against crime.

Information can be provided through a secure phone line or through their online web form. Tipsters remain 100% anonymous and could be eligible for a cash reward of up to \$2,000.

The anonymity and rewards offered through Crime Stoppers generates tips and information that has assisted our Officers in solving numerous crimes and recovering thousands of dollars in stolen property.
