\$66,554,531

Budget Reduction Options

ITEM	AMOUNT
Volunteer Program cost reductions during COVID	\$110,000
IMPACT	
Community volunteer programs have been suspended for the duration of COVID and it is anticipated to continue through 2021.	
RISK	
Reduced public service, citizens on patrol eyes and ears for police, friendly caller program. Currently activities are restricted due to COVID, so no further impact. Will be reevaluated post COVID once volunteers can return	
2021 APPROVED REDUCTION	\$115,510

Budget Reduction Options

ITEM	AMOUNT
Closure of Storefront Offices	\$45,000
IMPACT	
Staff will have access to facilities at District #2 in Azilda and Headquarters; currently do not use outlying storefronts for operations – mainly used by volunteers	
RISK	
Reduced presence of police in outlying areas. No location for volunteers; can explore City owned facilities for this purpose	
<i>2021 Approved Reduction</i>	<i>\$45,000</i>
<i>ANNUAL SAVINGS Future years</i>	<i>\$63,720</i>

Budget Reduction Options

ITEM	AMOUNT
Defer hiring of two new Constables with start date in May intake	\$82,000
IMPACT	
With budgets not being approved until March 2021, earliest intake will probably be May for the additional staff.	
RISK	
Nil for 2021; full salary costs will be realized in 2022 – not a permanent savings.	
2021 APPROVED REDUCTION	\$87,210

Budget Reduction Options

ITEM	AMOUNT
Reduce Contribution to Facilities Reserve Fund by \$750,000	\$750,0000
IMPACT	
<p>The contribution to Reserve Fund was established to ensure financing available to pay a capital debt associated with a new building. \$70 million is the estimated project cost with debt financing of 3.9 million per year over 30 years. The in-year fund contributions are also required to ensure building maintenance and renovations can be undertaken to facilitate business practices safely and efficiently in spite of the facility weaknesses.</p>	
RISK	
<p>There are insufficient funds in the CFRF to ensure resources for ongoing facility improvement costs. A short term loan or line of credit option is being explored. This stands to impact both current facility pressures and plans for the new build.</p>	
2021 APPROVED REDUCTION	\$250,000

Budget Reduction Options

ITEM	AMOUNT
Civilian staff workload redistribution and alternative service response.	\$84,200
IMPACT	
Workload to be evaluated and reviewed.	
RISK	
Nil however subject to evaluation after one year	
<i>2021 APPROVED REDUCTION</i>	<i>\$77,973</i>

Budget Reduction Options

ITEM	AMOUNT
Staffing through changes in Records workflow and automation	\$70,000
IMPACT	
Continue to examine impact of automated systems in workflow to determine clearly the impact.	
RISK	
Potential negative impact on workload; consider 50% reduction year 1	
<i>2021 APPROVED REDUCTION</i>	<i>\$70,899</i>

Budget Reduction Options

ITEM	AMOUNT
Civilian staff gapping through retirement and opportunity to gap due to changes in Bail Court activities during COVID	\$37,500
IMPACT	
For now, a six month hiatus is forecasted. This cannot be permanent and would be required once court activity fully resumes.	
RISK	
Nil; should Courts resume earlier the staffing would have to be reinstated	
<i>2021 APPROVED REDUCTION</i>	<i>\$46,466</i>

Budget Reduction Options

ITEM	AMOUNT
Remove inflation from all accounts	\$215,080

IMPACT

Inflation is important to include with accounts in order to ensure sufficient resources to cover costs for much needed consumable items. General operating inflation totals \$98,901. This is also applied to our fleet reserve fund, sick leave reserve, capital envelope account, and CIT reserve fund totaling \$82,774; there would be a reduced transfer of funds to the City for facilities in the amount of \$22,897 and program support in the amount of \$10,504..

RISK

Overspending in the accounts should pricing be influenced by inflationary trends; reduce to 1% factor on police operating accounts.

NOT APPROVED

Budget Reduction Options

ITEM	AMOUNT
Training costs associated with out of town travel & accommodations	\$50,000
IMPACT	
With COVID continuing to yield reduced travel and associated training costs, this one-time reduction will not impact training for 2021	
RISK	
Will have to be reinstated once business related travel is reinstated, although as a result of COVID, more training may be afforded online and will not have the same impact.	
<i>2021 APPROVED REDUCTION</i>	<i>\$50,000</i>
