# Downtown Strategy: Community Drug Strategy

## *THE 4 PILLARS OF HARM REDUCTION*

**Health Promotion**

**Enforcement and Justice**

**Harm Reduction**

**Treatment**

Community  
**Drug Strategy**

# Downtown Strategy:

## Community Safety and Wellbeing Planning

- Responsibility of the Municipality (*Safer Ontario Act*, 2018)
- Recognizes that complex risk to safety and wellbeing cannot and should not be addressed in isolation by any one organization, agency or sector
- 2018-2019: 461 RMT presentations, 197 initiated by GSPS

### KEY CONCEPTS:

- Supporting community development to meet local needs and priorities
- Building on individual, family, and neighbourhood assets
- Identifying and acting on broad systemic change
- Community mobilization
- Incorporating and monitoring community wellness outcomes

### Examples:

- NOAH's SPACE (tenants association)
- Louis Street Community Association Zone 30 Project
- COP's (Citizens on Patrol)      Pro-Active Forums
- BEAR Strategy

# Downtown Strategy: Moving Forward

## *Community Forums*

- Focus groups created, CPTED audits conducted
- Buy-in from businesses on community safety and wellbeing
- Increased engagement from community
- Enhanced understanding of root causes of issues

# Downtown Strategy: Moving Forward

## CLARIFICATION OF ROLES

### *Businesses*

- CPTED

### *Individuals*

- Enhanced awareness and empathy training

### *City*

- By-law, 'Broken Windows' theory

### *Police*

- Mobilization and Engagement

### *Other Agencies*

- Social Services, Criminal Justice

# Downtown Strategy: Future Directions

- Deterrence through presence and enforcement
- Increased visibility through foot and bike patrol
- Continue to work with community partners to address issues
- Sustainability through mobilization and engagement
- Redeveloping and repurposing
- Increasing natural users of space

# Questions
